# Our VISION

## Health For All in Africa

# Our MISSION

WACI Health exists to champion the end of life-threatening epidemics and health for all in Africa by influencing political priorities through an effective, evidence-driven Pan-African civil society voice and action.

# Our CORE VALUES

Tolerance

Accountability

Leadership

Authenticity

Learning

# Our STRATEGIC GOALS

## Increased resources for health

By advocating with governments and international agencies to step up their investments in health

## Enhanced accountability in health governance and delivery

Ensuring that commitments, investments and policies translate into practice, and into equitable health impact

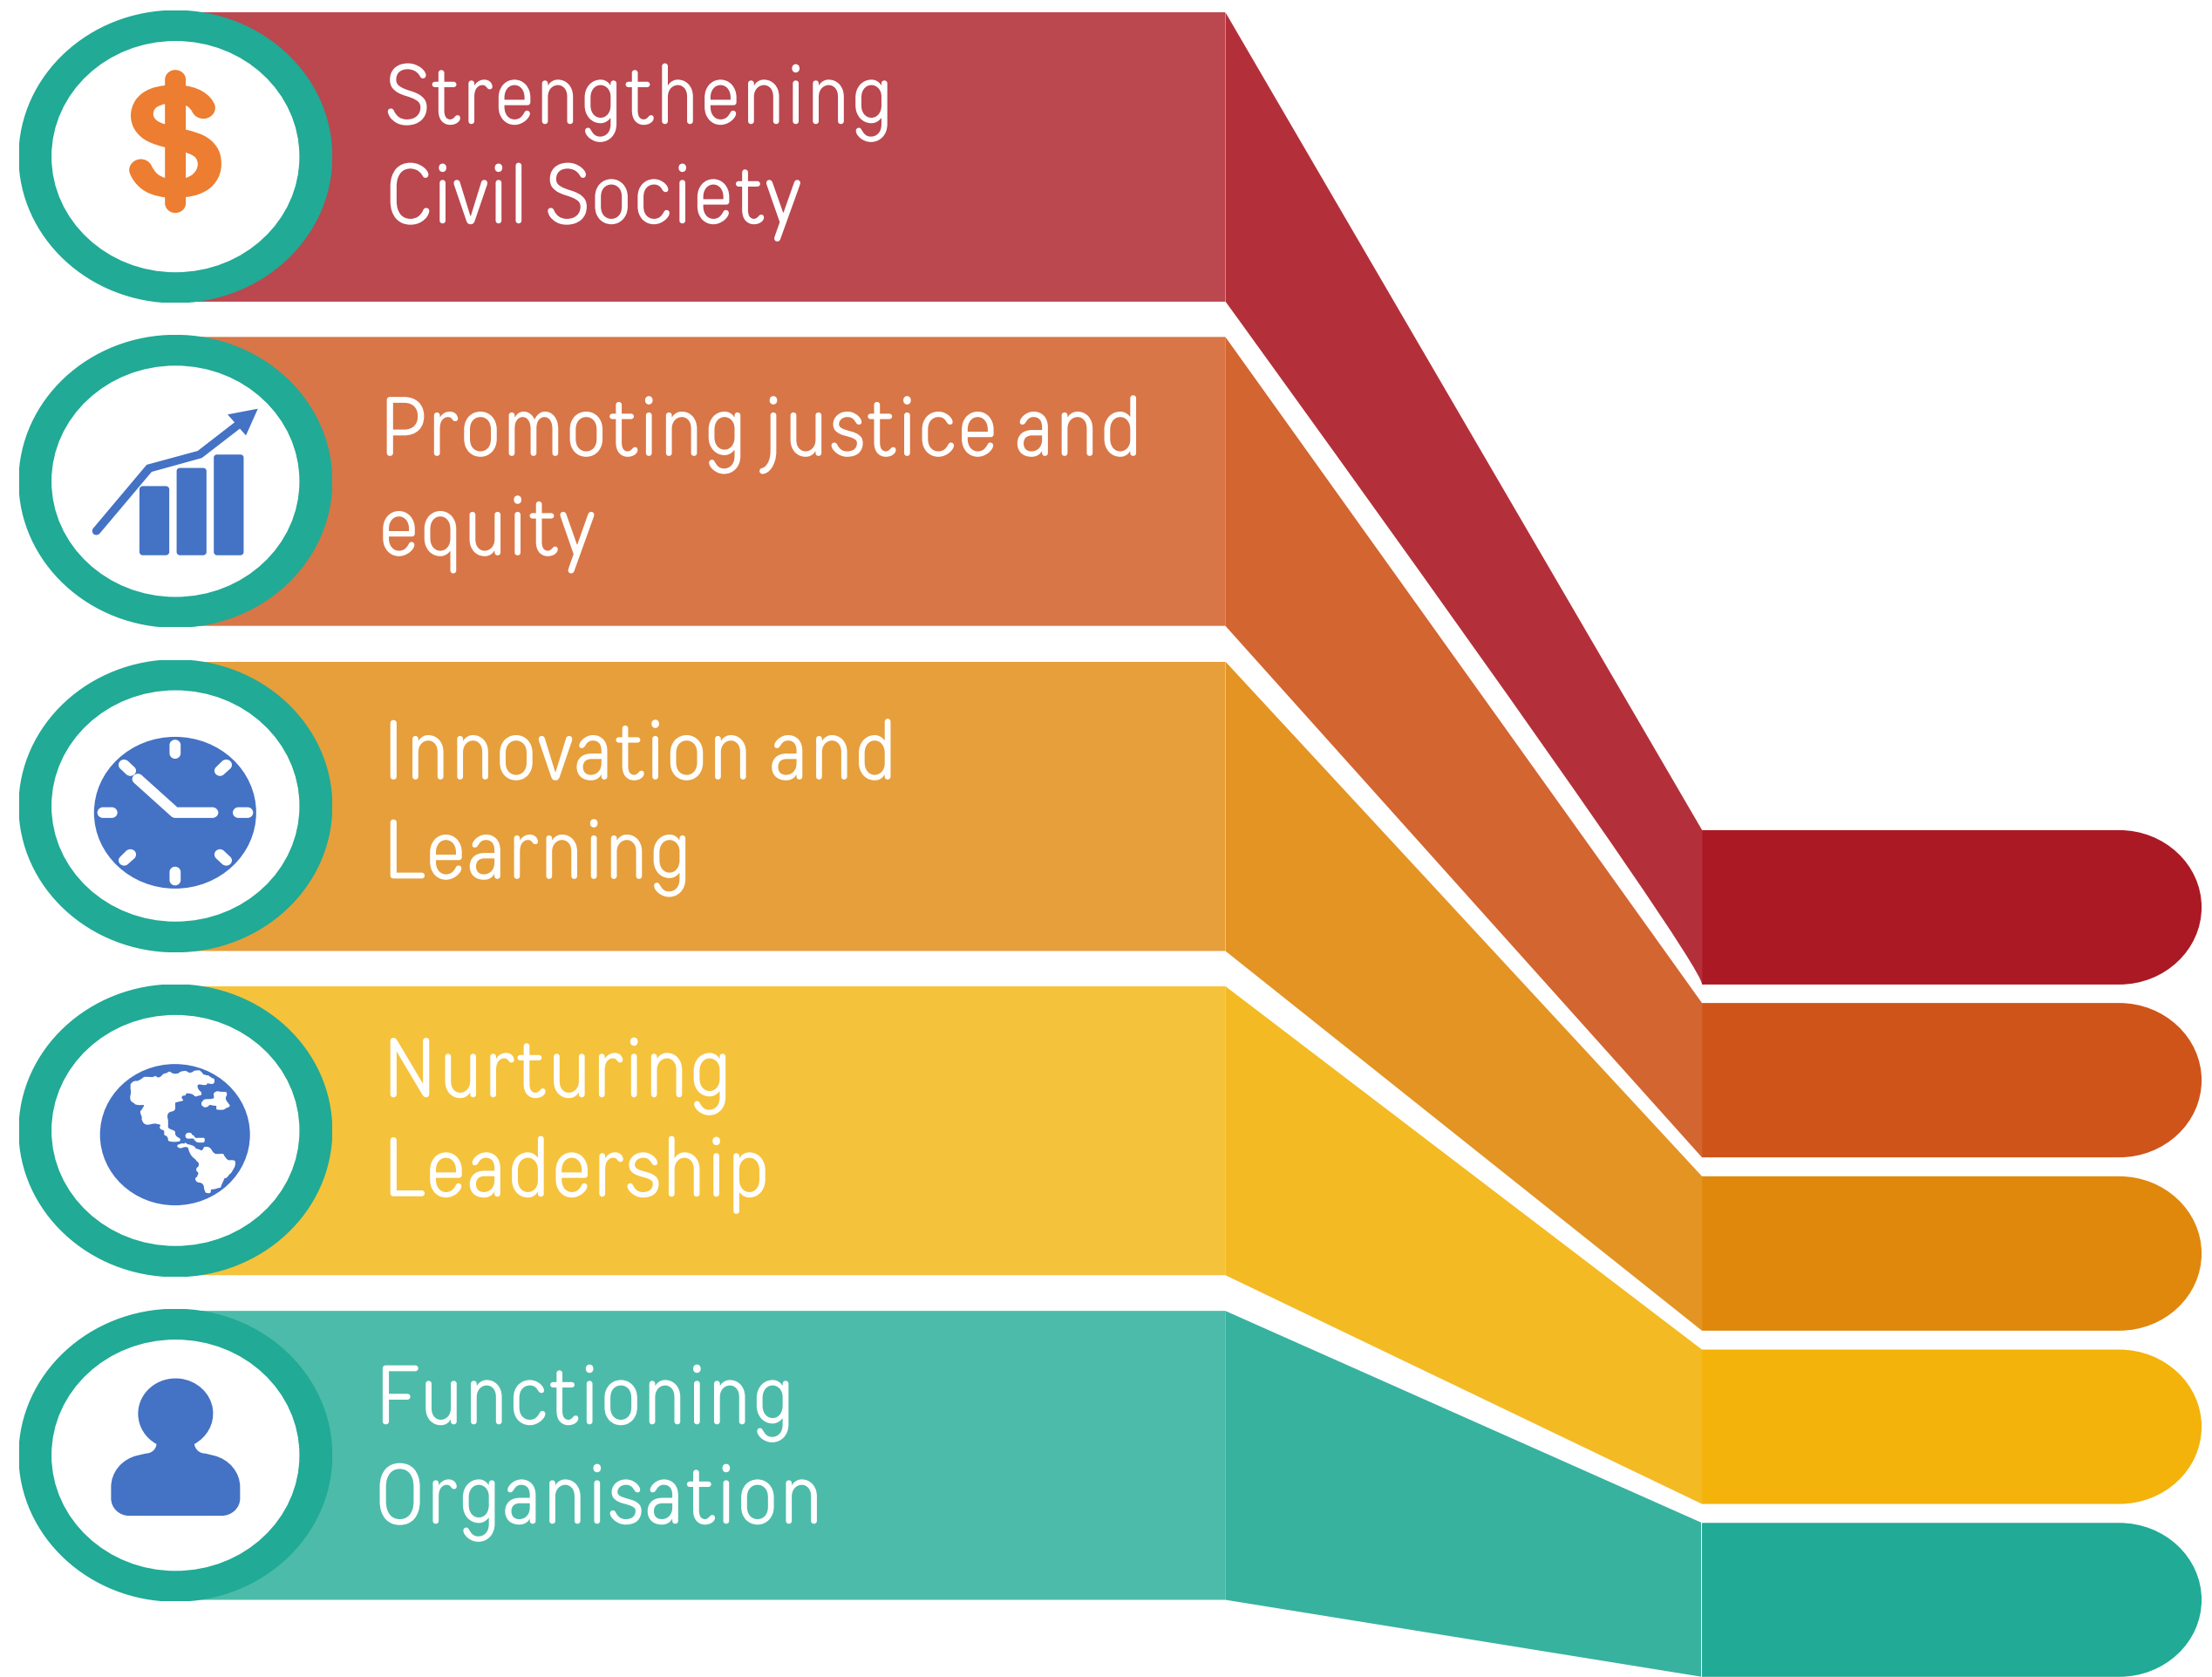

## Adoption of regional and national policies and reforms that improve health and equity

By defining and advocating for progressive policy change

## Health Systems that are equitable and responsive to people's needs

Ensuring that health systems work for people
